To Katie Brown, Esquire:

Thank you for your e-mail of March 1, 2021, informing me that, at Mr. Kadoshnikov's request, his meter was moved.

It would be helpful, if you could provide more details. I would like to know where it was moved in relation to his residence, and how far it is located from his residence. Also, please provide the type of pole provided, and whether the meter provided is a smart meter. I would also like to know whether or not Mr. Kadoshnikov is now participating in net energy metering. Please provide any additional appropriate information in this matter. Please provide this information by the close of business on Monday, March 15, 2021.

Thank you for your consideration in this matter.

Regards,

David Butler
